POLICY DOCUMENT FOR GREEN CAMPUS

Green campus policy

A green campus is a place where environmental friendly practices and education system jointly promote sustainable and eco friendly ambience in the campus. Green campus status is achieved by making significant progress in the campus. This concept offers the opportunity to create sustainable solutions to environmental social and economic need of the mankind.

Restricted entry of vehicles

- All the vehicles of college staff/ faculty members should be getting the emission certification before entering the vehicle in college campus.
- The college encourages the employees and students to frequently use public transport, bicycles, etc. to limit the emissions.

Pedestrian-friendly pathways

- follows the Pedestrian-friendly pathways in all the buildings

Ban on use of Plastic

- The college continuously committed to work towards plastic-free campus.
- DUAC College campus there is complete ban on single-use plastics in class room, labs canteens in the institution's premises and hostels.

Landscaping with trees and plants

- As per the green practices in the campus DUAC is moving in the direction of a Green Institution planting more trees within and outside the campus.

Reduce energy consumption

The college has adopted the following policies

- Turn of unnecessary lights and use the day light instead
- Turn of your monitor when you leave your table
- Use LED Bulbs as much as possible
- Switch off lights ,fans in the class rooms when they are not in use

Public transport and car pooling

- The college encourages public transportation and car pooling which greatly helps in the reduction of emission
