

COLLEGE ANNUAL REPORT

2019-2020

**DARUL ULOOM ARABIC COLLEGE,
VAZHAKKAD**

INTRODUCTION

Darul Uloom Arabic College, established in 1871 by Koyappathodi Muhammed Kutty Sahib, is the first minority institution in Kerala and aided Arabic College affiliated to University of Calicut, approved by UGC in 2010. It was originally affiliated to the University of Madras in 1944. Following the formation of the united Kerala in 1956, the University of Kerala granted permanent affiliation to the College and has been under the University of Calicut since 1973. The college has been included in the 2(f) &12(B) category of UGC since 2010. And it has been recognized as an Institution with minority status by the National Commission for Minority Educational Institutions.

The college is situated in Vazhakkad, Malappuram District which has a lower Gross Enrolment Ratio in higher education than the national average. The college strives to improve the educational status of the rural marginalized by providing them with an atmosphere conducive for their overall development. The college is run by the Darul Uloom Association. The college was founded with the objective of imparting quality education to backward minority communities in rural areas of Malabar. The organization has always cherished value based education. The college is venturing into new avenues of higher education. The larger enrolment of girls and minority students authenticate the institutional commitment towards equity and inclusion.

It functioned as a single faculty college for more than 60 years. The Government of Kerala sanctioned two degree courses i.e. M.A Islamic Finance and B.A. Functional Arabic to the College in the year of 2015. The PG Department of Arabic of the College has been upgraded by the University as Research Centre in Arabic in the year 2020.

The College is offering Ph.D in Arabic, M.A. Afzal ul Ulama in Arabic, M.A Islamic Finance, B.A. Afzalul Ulama Degree in Arabic, B.A Functional Arabic and Afzal Ulama Preliminary (a two year pre-university course). The College started six add-on courses in 2015 and few certificate/ value added courses being conducted.

The College provides its students with the opportunities for extracurricular activities for their mental and physical enhancement.

VISION

It aims to improve the intellect and sensibility of the students by providing a conducive learning environment. It inculcates noble values of love, compassion, tolerance and patriotism fostering national integration and contributing towards nation building. It strives to produce a generation of young scholars who are intellectually competent, morally upright, and socially committed. It impels them to think critically, to broaden their perspectives, to understand diverse viewpoints and to develop a liberal and secular social outlook.

It seeks to enable the students to realize their full potential, to transform their personalities, to cultivate a humanitarian outlook and to make them better human beings. It seeks to illuminate the minds of the students with the torch of knowledge, to empower them through proper acquisition of knowledge, and to enable them to seek truth.

MISSION

Provide value-based education and inculcate in the students' community the ability to utilize maximum potential to meet the challenges of a new era by inspiring them to continue the process of learning throughout their life. Make the students' community committed to the greater common good. Provide quality educational programs that integrate academic and cultural studies along with Arabic Language and Literature. Empower the students to seek and succeed in the entire life. Promote excellent personal manners, high civic values, and strong leadership skills. Prepare students to become good citizens and contributing members of society. Guide students to develop life skills and interests. By providing value-based education coupled with state-of-the-art infrastructure, the college offers a conducive learning environment to effectively meet the challenges posed by modern times. With individualized attention given to every student, the college seeks to bring out the best in everyone. By promoting extracurricular and community-oriented activities, students are enlightened about their civic duties which would enable them to contribute to the nation-building process.

The college aims at equipping the rural community with essential professional skills that could open up vistas of opportunities. IQAC, Staff Council, and PTA are made responsible to confirm that the curricular and extracurricular activities fall in line with the set of vision and mission of the college which is reflective of the National Education Policy 2020 stresses the importance of multidisciplinary educational institutions. From a college that provided courses only in Arabic Language and Literature, the college has now gained a multidisciplinary face by offering new courses in English, Finance, and Travel and Tourism. The college is set out to become a truly multidisciplinary center of learning that would act as a beacon of hope for every section of society.

AIMS

1. To determine and prescribe our own courses of study and syllabi, and restructure and redesign the courses to suit local needs
2. To prescribe rules for admission in consonance with the reservation policy of the state government;
3. To use modern tools of educational technology to achieve higher standards and greater creativity;
4. To evolve methods of assessment of students performance, the conduct of examinations and notification of results;
5. To promote healthy practices such as community service, extension activities, projects for the benefit of the society at large, neighborhood programs.

OBJECTIVES

1. To diversify, restructure and redesign the courses so as to meet the local/global demands
2. To formulate the Institutional Admission Process and Guidelines
3. To achieve excellence in the methods of teaching-learning process and evaluation Techniques using the latest technology.
4. To inculcate the spirit of Research among the students as well as Faculty
5. To integrate in the students the ennobling virtues of truth, fairness, tolerance and cooperation that leads them to serve the underprivileged
6. To provide life skills towards a successful career, home and society.

Dr. Abdul Salam IP
Officiating Principal
Darul Uloom Arabic College
Vazhakkad
Affiliated to University of Calicut

Principal's Message

Welcome to Darul Uloom Arabic College, an Oldest Institution that rests on strong academic foundation, blended with a contemporary approach that seeks to mould young men and women into successful role models. Our country is poised for takeoff, to claim her piece of the sky and at Presidency we believe that only knowledge can give you wings. As you step into the portals of this College, you are engulfed by our ethos of competence, discipline and character.

Since its inception in 1871, Darul Uloom Arabic College has emphasized the need of curricular, co-curricular and extra-curricular activities for an all-inclusive development of the students. To actualize them in real terms, there are various clubs, associations, cells and committees in the College. Faculty members are entrusted with the responsibility of these units. The multi-faceted activities planned and organized by them provide an enriching experience which would enable the students to reach new heights in their professional life. We create atmosphere for easy learning. Well experienced and dedicated staff and ambient environment in our college helps the student to develop all-round personality, employability skills and guide them to achieve their goals.

We are providing B.A (Afzal Ul Ulama), B.A Functional Arabic , MA (Post Afza Ul Ulama) and MA Islamic Finance and Add on Courses and Certificate courses. The students are equipped with broaden vision about the 'Government schemes' and financial assistance from all other agencies. We motivate women students particularly, to pursue higher studies so that they will have a vision to face day to day challenges of life confidently. Our college develops social responsibility among the students by conducting various programs through Clubs which helps not only our students but also local educated for developing employability skills.

For overall personality development of the students NSS, Sports facility and Cultural activities are being conducted every year, Waste Water Management, Water Harvesting, Solar Energy etc...

College provides our students with enhanced global visibility, a wide range of contacts and professionals networking opportunities (MOU's), academic scholarships, cost beneficial services, information and necessary guidance.

College has dedicated and competent teaching faculty which is always on toes for well base development of the students. Our aim is to create ideal students and good citizens of India. I wish all of you a hearty welcome and all the best for your future at D.U.A Campus.

Thank you!

REPORT 2019-2020

With immense pleasure and pride, we would like to attach herewith the annual report of remarkable achievements and steady progress made by the College in the academic year of 2019-20

This institution offers a total of five programs including two post graduate Programs, two graduate programs and an undergraduate program (preliminary) which is equaling to Higher Secondary education, recognized by University of Calicut. With the upgrading of the Arabic PG Department into a Research Department in Feb,2019 duly sanctioned by the University of Calicut (U.O. number 10545/2019/admin), our student strength increased to 230.

Due to Covid-19 pandemic, being a responsible educational institution, we are entitled to oblige to follow the directions of central and state governments, which in turn forced us to cut short several programs we have vehemently envisaged.

The strength of staff in this institution is as follows:

Teaching Faculty: 17

Non-Teaching: 5

Technical support: 1

During this year the remaining classrooms also turned ICT enabled, staff rooms have been renovated. More recreation facilities are opened for students and staff as well.

College Union

College Union Election

College Union Elections officially start with the appointment of a Returning Officer by the Principal. The Returning Officer, typically a senior faculty member, is responsible for the overall planning and execution of the election procedure. After the Returning Officer notifies the presidential electoral procedures and dates concerned, contestants file their nominations that are verified by the Returning Officer. In the first phase, representatives from each constituency (class) are elected in a process presided by Presiding Officers. In the second and final phase, students directly elect candidates to the eight general posts that form the Students' Union.

ANNUAL GENDER SENSITIZATION ACTION PLAN:

Gender equality and non-discrimination are fundamental human rights and essential components of a healthy, peaceful and prosperous world. Gender equality, gender balance and diversity are the responsibility of the institution. The institution has given equal opportunities to all individuals irrespective of gender, race, caste, color, creed, language, religion, political or other opinions, national or social origin, property and other social statuses.

General objectives:

- Conducted workshops that promote diversity and gender-sensitive communication for members and employees.
- Enhancing leadership quality among students.
- Conducted activities for empowering women.
- Promote equal representation in all institutional activities.
- Ensure equal importance to all students in teaching-learning activities.
- Provide equitable platforms in all extra-curricular activities.
- Build a safe and secure environment for all students especially for girls.
- Conducted skills enhancement programs.
- Work out schemes for career enhancement.

Gender equity cell

A Gender equity cell operates in the college under the supervision of the Principal. The activities of the cell focus on enhancing the overall development of the students, especially girls. The cell operates in a consistent manner, with the help of a predetermined action

plan. The action plan is prepared at the beginning of each academic year focusing on the various possibilities that promote gender equity. The cell monitors the execution and evaluation of the outcomes of every activity mentioned in the action plan.

WDC conducted a visit at old age asylum at Kozhikode. The team interacted with them. Students conducted cultural programs on the day .The visit was capable to foster humanity and mutual understanding. Their interaction with the inmates was an opener to both of them. 40 students participated.

Career Guidance Cell:

It is in this context the college decided to address these issues by introducing a special program to make awareness to students. It is an amalgamation of various training and coaching programs to redirect the students to the path of the new era of knowledge, where the students will learn new courses, prepare for competitive exams and get ready to face the future with all the inspiration, ambition and courage. The college has got a mechanism to provide career guidance to assist them to qualify various national/State government examinations.

The college career guidance cell conducts continuous orientation programs for career enhancement and intensive coaching for clearing competitive exams for students without

any cost. The programs mainly focused on exams like KTET, NET and KPSC. It helped many students to become part of such activities since it is free of cost.

NSS (National Service Scheme)

Well functioning unit No. 60 of National Service Scheme in the college is concentrating on the development of readiness to service and social commitment among its volunteers. This unit conducts programs on personality development, legal literacy, women empowerment, adulterants psychology, palliative care and other relevant areas in service to humanity. This unit also conducted programs on specific important days to create awareness among the student community. The units prove to be an inevitable part in all the every special occasions of the institution. The units render its services within the college and the adopted village through surveys, rallies, and different awareness programs. They are dedicated to find out the problems of the inmates of adopted village and ensure remedies in a nascent way. NSS volunteers instigated a vegetable farm in the college premises with diversified crops which give them handful of joy and pleasure at the time of harvest. Annual special camps are much remembered by their services like constructing shelters to the needy, making sewages, play grounds, constructing pathways and roads and cleaning plastic and other needless from notable places. These activities shower relief to humankind and develop the personality of the volunteers.

On 23/12/2019 the NSS unit of College conducted a cleaning drive and plastic free village campaign at Thiruthiyad, Vazhayoor pachayath. 50 students participated in the program. They cleaned, distributed pamphlets and led awareness classes and pasted posters of the same in the locality.

Vegetable Harvest:

In 2019-2020 The college NSS volunteers and Bhoomitra sena Club harvested vegetables from its farm situated near Mananchira, Kozhikode as part of its campaign entitled 'Mannina Ariyan. The place, presently belongs to shabandri real estate, is the back courtyard of Calicut Central Library. The crops include chilly, tomato, ladies finger, cauliflower etc. It was sold in market in order to meet day to day expenditure of the unit. The program aims at cultivation of vegetables in arid land and awareness of the same among students. Prof. Abdussalam PC, NSS program officer, led the students. 25 volunteers took part in the auspicious occasion. Aboobacker Sidhique from Thiruvannoor led .S Swapna, C M Salih, S Muhammed Yoonus and Dr. Abdul Latheef participated.

Anti-drugs Campaign:

Darul Uloom NSS unit organized a variety of programs on narcotics abuse. A campaign was launched on 25Feb 2020 to safeguard young generation from drug abuse. Prof. Abdul Salam PC and Abdul Kareem led awareness sessions as part of the campaign, in addition to pamphlet distribution and display of placards showing hazards of drug addiction. 50 students participated.

AIDS Awareness Campaign:

On 2019-december As part of AIDS Awareness Campaign a procession was flagged off by the college principal from Iqrah hospital to Cheeni bazaar . It included awareness sessions for the public and the college students, promotional video and audio circulation and various online advertisements. 50 students participated.

It also focused on various symptoms of the disease and preventive measures to safeguard. 20 committed students volunteered for the successful functioning.

Tribal visit and food kit distribution

The college conducted a tribal visit and food and dress distribution to the natives of Akambadam region of Malappuram district. The main intention of this program is to create awareness among students regarding cultural and communal inclusiveness. It also helps to understand the standard of living of the tribal community.

Blood Group Detection

The college has conducted a blood group collection program as part of Ardrum Health Project. Students in the college have been saving the lives of many by voluntarily donating blood as per the requirements of nearby hospitals and health centers.

Flood Relief Work

In the year 2018 and 2019, Kerala has been under serious impact of incessant rainfall and flooding. Heavy rainfall caused severe landslides. We had witnessed total desolation of many areas in the state. Our District, Malappuram is one of the seriously affected areas. Most of the areas affected severe casualties. Many of the families were isolated and become helpless and even homeless. Their rehabilitation was a serious challenge to our Government. Our college authority, with the help of our students, came forward with their

sincere effort to help the deprived. Our students initiated cleaning drive at the college, college hostel and its suburbs after the flood. The volunteers visited the flood rehabilitation camp at GUP School, Vazhakkad and provided food, dress and essentials for them. Our students helped to sanitize the flood hit wells of the region. Along with this, a group of students visited several affected places and help to clean the houses and buildings.

The institution assesses the learning levels of the students and organizes special Programs for advanced learners and slow learners:

In every academic year our institution try to find the competencies and caliber of the newly admitted students are regularly. Evaluated through department level specific programs immediately after the admission process. At the end of the **bridge course**, there would be an examination conducted by each department to assess the multilevel ability of the students in MCQ model and subsequently categorize them as slow learners and advanced learners based on their performance in the examination

An orientation program is also conducted under the supervision of IQAC for the fresher's to bridge them towards the university curriculum and framework. Special sessions are also devoted in the program to sensitive students in the college academic and co-curricular activities and to explain program outcome along with the description of the vision and mission of the institution.

Bridge Courses: Bridge courses are conducted by different departments to find out slow learners and advanced learners. Special bridge course in programming is conducted by the department of Islamic finance and Arabic.

Special programs for slow learners

Parent-Student Counseling:

Once identified, the parents of slow learners are informed about their wards in academic performance and career attainment, through special meetings individually and collectively. They are also advised with corrective measures to their ward in various academic as well as co-curricular disabilities.

Student Teacher Program:

The department of Arabic and Islamic Finance selected the most brilliant students from each class and assigned them the responsibility to teach the slow learners in their class.

Skill Enhancement Program:

The Department of Economics and English conducted group discussions and debates to enhance communicative ability, subject mastering and current updates in the subject.

Students support program (SSP):

Department of Arabic conducted program **Learn2Learn** for the upliftment of slow learners.

Remedial coaching:

Under IQAC, all the departments organize special coaching classes and provide essential learning materials for slow learners.

Special programs for advanced learners**Meet with Scholar:**

An Initiative of Higher Education, Government of Kerala. Since its introduction the programs has been invoked in the college for providing proper guidance to graduate students having brilliant academic records.

Seminars and Workshops:

Departments are collectively organizing co-extra Curriculam program like national/international seminars, workshops, invited lectures, etc. to provide more enhanced learning experience to advanced learners.

ALSP (Advanced Learners Special Programs):

Arabic Department organized UGC NET, KTET coaching, speaking skills enhancement program. by making use of the expertise of the advanced learners under the supervision of department faculties.

Certificate courses:

Various departments are offering certificate/ add-on courses to enrich the knowledge base of advanced learners. Such as certificate in Arabic for tours and travels, certificate in translation skills in English and Arabic.

College library:

Darul Uloom Arabic College library has started functioning along with the college inception itself. Our library supports the teaching and other educational function of the D.U.A college programs and creates a conducive learning environment for its users through the acquisition and management of materials including but not limiting to books, periodicals and electronic resources. The holdings of the library are intended for the use of the college faculty, staff and students. The sole objective is to serve the right information to the right user at the right time. Is facilitated with a specialized pool of learning materials to prepare for competitive examinations. Also **E-Library** facilities opened for the Advanced Learners.

Award/ Endowment Distribution:

The toppers of each semester are honored by awarding special endowments on the occasions of the college-level programs.

Students Palliative:

Students Initiative in Palliative Care (SIP) is a student initiation for manifestation of community participation in palliative care. Participation of student community in palliative care is possible as Social participation towards a common public good is always an integral character of student communities around the globe. Engaging of students in palliative care has a dual advantage. One is that their energy can be utilised for the benefits of patients with chronic disease. Another is that, Inculcating the spirit of care can have a positive effect on the attitude of students. With this idea, the Pain and Palliative society started its students in care programme. DUA College SIP unit organised various activities in collaboration with Pain and Palliative Centre, Vazhakkad like fund collection drive for the Kidney patients, calibration of palliative day, home visit, etc.

Darul Uloom Arabic College Students Initiative Palliative (SIP) unit during the academic year 2019-2020 with the collaboration of Palliative Care Clinic Vazhakkad collected money for palliative care activities, palliative home care, fix collection boxes and cleaning during the flood time.

Birds Club:

Birds Club International is a non-profit organization that aims at promoting interest in birds, conservation of nature and the environment through public campaigning and education. Birds are beautiful, inspirational, appeals to all geographies and also serve as excellent flagships and vital environmental indicators of the climate and weather conditions of a place. By focusing on birds, and the sites and habitats on which they depend, the Birds Club International aims to improve the quality of life for birds, other wildlife (biodiversity), and for the people

Literacy Club:

The Literary Club of DUA College helps the students to improve their speaking, reading and writing skills. The Literary Club has been an ongoing and active club for several years.

Literary club helps the students to develop their self -efficacy, confidence and enhance their general knowledge. Literary club aims to develop creative skills in students. It offers opportunities to appreciate different types of literature and increase their own literary skills. Club members meet to discuss books and the craft of writing. Some members choose to share their writings during the meetings, therefore starting many discussions. At times we critique each other's work and offer suggestions.

The Literary Club is more than just a club for reading and writing; it is also a place where students can come to share their insights on politics, life, and school issues. We're like a family, sharing frustrations, trials, and happy moments. We welcome anyone and everyone with a passion for writing, reading, and creativity. The Literary Club theme for this year is reading, writing, and realizing.

ALUMNI ANNUAL REPORT:

The Darul Uloom Arabic College Old Student Federation (DUACOSF) is a very active Alumni body which regularly involves in developmental activities in the college. All the previous students are a part of the association. The mission of the Alumni Association is to connect the alumni to the College, to provide valued services to its members, and to support the mission of the institution. The vibrant alumni act as an extension of the socio-political and cultural spheres. The alumni organization has a registered general committee and an International wing which is not officially registered. The association supports the college by contributing a substantial amount of money for the infrastructural facilities

2019-20 was another productive year for Darul Uloom Arabic College Old Student Federation. The federation conducted a grand alumni meet on 08-02-2020 under the leadership of A. Shoukathali president of the federation. In this programme around 200 members participated in different academic year. In this meet the federation gave a grand sent off party to the retiring teachers Prof.MT Ayisha and Prof.NA Rahman. This meet also honored the Genius students of the college.

Note: *In the period of covid-19 pandemic Digital materials are provided to the students also to supplement classroom teaching/virtual teaching. This exposure is clearly reflecting in their learning experience. During live video sessions, students are given the opportunity to raise their questions and clarifications regarding the topic of the class. Online tests are conducted and e-assignments are given through "Google class Room and EdModo." With the help of "YouTube" platform class room video lecture sessions are uploaded and shared through the students in covid-19 period. Online assignments and seminars are submitted by students with the help of Edmodo application. The examination wing of the college has been conducting online examinations for all departments in a centralized manner. Concerns and complaints of the students regarding the conduct of the examination and results of the examination will be properly addressed by the examination wing through the grievance cell of the college. As the seminar presentation is an essential part of the course and subject, every department randomly selected students and asked them to present their assigned seminar topic by using PowerPoint presentation as scheduled by the concerned department. Online classes and assessments assist the teachers to utilize the available time effectively. Globally emerged virtual learning environment is effectively utilizing in the college by making use of its state of the art ICT facility.*
