STUDENT'S FEEDBACK REPORT
2019-20

Analysis of Student's Feedback on Curriculum for the year 2019-20

The Internal Quality Assurance Cell of Darul Uloom Arabic College used to collect and analyse feedbacks from students on various matters relating to academics and administration of the college. Curriculum feedback is a major part of such exercise. The College collects students' feedback on curriculum directly by circulating the Feedback Forms. Feedback survey takes place every year from students of the college. A well designed and structured questionnaire has been used to collect the response of students.

Objectives of the feedback

The objective of the feedback survey is to analyse the relevance and importance of the curriculum, and how far it has attained in satisfying the need of the academic community. The structured questionnaire includes questions related to various aspects of curriculum which are highly relevant to students. The survey includes questions related to the adequacy of learning resources in the college, effectiveness of internal evaluation process, opportunities in participating in seminars, industrial visits and conferences, role of curriculum in stimulating innovative thinking and exploring new ideas and contents and objectives of curriculum design.

About the survey

The Internal Quality Assurance Cell of the College used to collect and analyse feedbacks from students on various matters relating to academics and administration of the college. Curriculum feedback is a major part of such exercise. In 2019-20 we have framed 11 statements which essentially capture the various aspects of curriculum design and implementation. The Feedback on curriculum is collected from students Five point agreement scales (5-excellent, 4-Very good, 3- Good, 2-Satisfactory, 1-Unsatisfactory) were used to assess students rating on various curriculum aspects. The results were further analysed using tables, percentages, and diagrams.
