Department of English

Bridge Course 2016-17 onwards Syllabus

We have introduce bridge course in this institution due the request of faculty and students to encourage them to interact actively with text and with each other in languages other than mother tongue. For learners of English as an additional language this course builds a bridge between theory and practice of the methodology of English language and will be able to understand the subject matter easier and be expressive in a better way.

Course description: prepare the first year degree students for the text books prepared by the University of Calicut. The course included reading writing and listening practice with the support of language lab requirements. The course is restricted to the students of BA English First Year admitted in this institution.

4. Fundamentals of English Language

d) Basic English Grammar

e) Composition and Morphology

f) An introduction to Classical and Modern English Literature

5. Language learning: Basic Skills

e) Listening

f) Speaking

g) Reading

h) Writing

Department of Arabic

Bridge Course 2016-17 onwards

The Department of Arabic is conducting a bridge course for newly admitted students in every academic year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between learning requirement of the students for the new graduation course. We have introduce bridge course in this institution due the request of faculty and students to encourage them to interact actively with text and with each other in languages other than mother tongue. The syllabus for the course is framed in such a way that they get basic knowledge on the subjects which they would be learning through graduation, and by completion of the 10 hour bridge course, the students would be able to comprehend new curriculum and the course.
