DARUL ULOOM ARABIC COLLEGE VAZHAKKAD
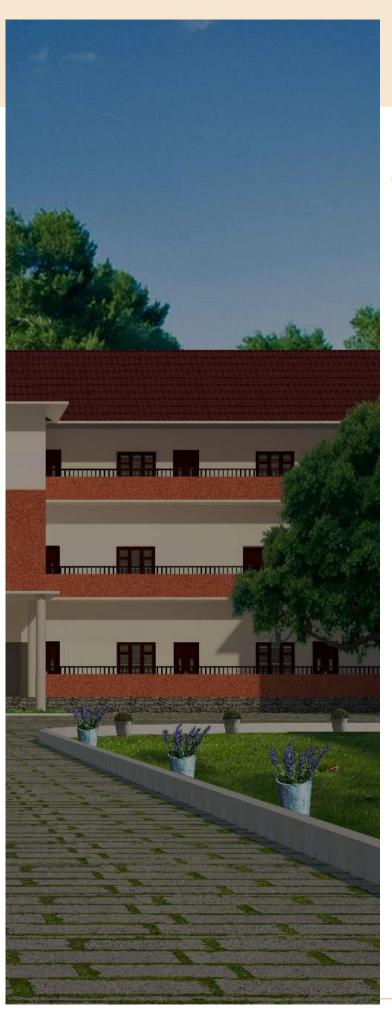

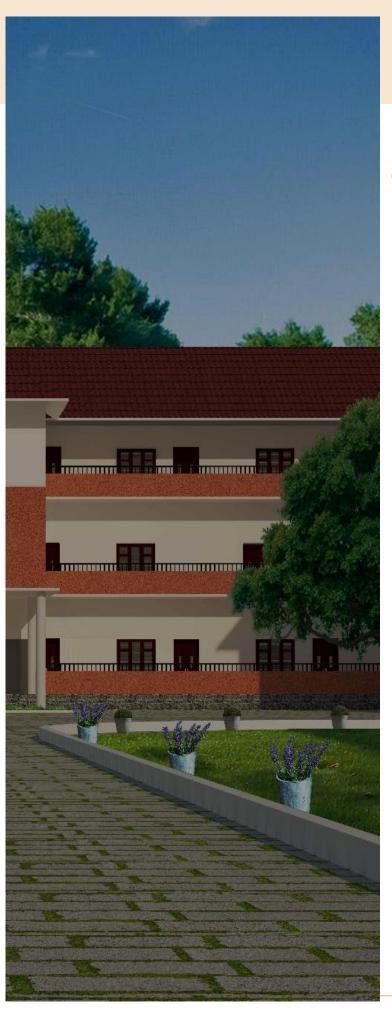

STRATEGIC PLAN
2015-2020

INTRODUCTION

- Darul Uloom Arabic College, established in 1871 by Koyappathodi MuhammedKutty Sahib.

- It is the first minority institution in Kerala and aided Arabic College affiliated to University of Calicut, approved by University Grants Commission, New Delhi in 2010.

- It was originally affiliated to the University of Madras in 1944. Following the formation of the united Kerala in 1956, the University of Kerala granted permanent affiliation to the College and has been under the University of Calicut since 1973.

- It functioned as a single faculty / discipline college for more than 60 years.

- The Government of Kerala sanctioned two degree courses i.e. M.A Islamic Finance and B.A. Functional Arabic to the College in the year of 2015.

- The PG Department of the College has been upgraded by the University as Research Centre in Arabic in the year 2020.

- The College is offering Afzal Ulama Preliminary (a two year pre-university course),B.A. Afzalul Ulama Degree in Arabic, B.A Functional Arabic, M.A. Afzalul Ulama in Arabic , PhD in Arabic and M.A Islamic Finance
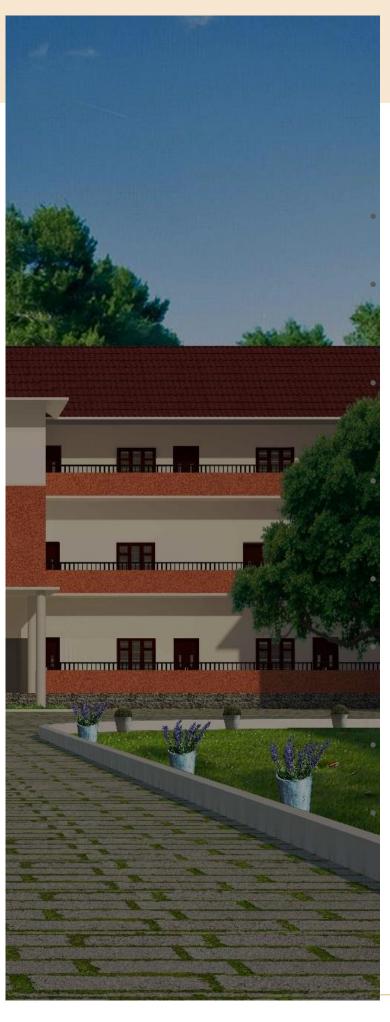

VISION

To meet the needs of the society, present and future, through moulding the students with high moral, ethical values and developing them as responsible citizens.

MISSION

Providing an atmosphere where everyone is respected and listened to; a college where we take pride in ourselves and our achievements, enabling students to become confident and successful learners. Striving to be the hub of our local community and an integral part of our society; building and joining communities locally and beyond

OBJECTIVES

- Uplifting the status of rural marginalized through education.

- Mould the students' character and personality so as to prepare them for the new-age challenges.

- Help the students to develop unwavering confidence and faith in virtuous thought.
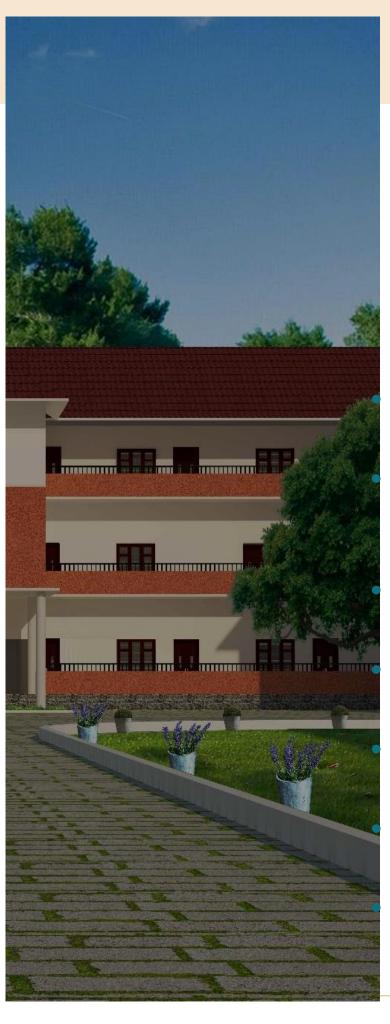

- Help the student community in developing a humane outlook and strong civic sense.

- Help the students to think clearly and critically and communicate effectively.

- Help the students in appreciating the value and unity of every source of knowledge.

- Help the student community develop a global vision.

- Help promote a liberal social outlook and ethical view of progress coupled with an enriched inner life.

RESEARCH PLAN

The research policy of the college promotes the faculty members and students to pursue research activities and thereby add to the world knowledge base.

- Increase the number of PhD holders among the faculty.

- Research forum to inculcate research culture among the students and faculty members.

- More minor and major research projects by the faculty members.

- Organize more research seminars and conferences.

- Convert aided PG department to research departments.

- Research guides in PG departments.

- Liberal leave policy for faculty members who pursue PhD in FDP.

ACADEMICS WITH EMPHASIS ON SKILL BASED EDUTION

- One of the main objectives of the strategic plan is to promote the skill-based programs
